Dear Sir,

## **ATTESTATION LETTER IN RESPECT OF MR. AYODELE TEMITOPE AGBEDANA**

It is with utmost pleasure that I write this letter to acknowledge my relationship with Mr. Ayodele Temitope Agbedana who happened to be a member of the above named church.

My personal relationship with him as the senior pastor of the church has been very cordial and his relationship with the church of God has been wonderful. My four (4) years experience has been pleasant and wonderful, and I will not hesitate to state that he is a well behaved, trustworthy, a friendly, warm, honest, respectable, emotionally stable, down to earth and especially God fearing person who loves God and the things of God.

He is spiritually conscious and always loves to seek the mind of God before embarking on anything he wants to do without mincing words. I will like to state that Mr Ayodele will make a wonderful husband, friend and a companion to the glory of God the Almighty.

I am delightful that this letter will further enhance the preparation plans of the marital journey between Ayodele Temitope Agbedana and Oluseyi Omolara Yerokun to spend the rest of their lives together in God.

Lastly, I believe and trust God greatly to make everything glorious for His Name alone to be praised in Jesus name, Amen

Thanks and God bless

Yours Sincerely

Samuel Ohiochoya Ihievbe
