

MY DAILY DOSE FOR BODILY HEALING AND HEALTH

- 1.** God's words on my lips, govern my body and the state of my health.
- 2.** I declare that by the bruise inflicted on Christ at Calvary, I have and possess complete healing of my body. Healing is my right that I exercise over my body.
- 3.** As the seed of Abraham, I have a seat at the table of the kingdom and everyday with my words of health I feed on the bread of God's children, and I am cured of all ailments.
- 4.** I say to my body, right now you are completely healed from the crown of your head to the soles of your feet.
- 5.** I extend this bread to all of my children as the Syrophencian woman did to her daughter. I declare to my children, you are whole and complete.
- 6.** Every time I take the communion, I am feeding on the bread of the children of the kingdom, which is medicine to my flesh. This keeps me in permanent health.
- 7.** The same Spirit that raised up Jesus from death dwells in me and He is everyday redeeming my body from all forms of decay by infusing Christ's life into it.
- 8.** I declare therefore to the Spirit of God who dwells within me, You are infusing the life of Jesus right now into every cell in my being.
- 9.** Through Your power, You kill every germ, bacteria, infection or infirmity the moment it touches my body.
- 10.** This moment as my physical heart pumps blood into my body, so is the Spirit pumping life into every cell in my body preserving it from decay. By this substance of life, my eyes never get dim with age and my body retains the strength of its youth throughout its days on the earth.
- 11.** By His strength I fulfill my days on the earth, fat and flourishing till my old age.
