

Confessions on Trade

Because of the finished work of Christ on the Cross, I have received the same blessing that rested upon Abraham and his lineage. I now belong to the company of those that have on the earth. **[SCRIPTURE REFERENCE – Galatians 3:13-14]**

There is much substance, which no man's eyes have seen, ears heard nor heart imagined in what I have and in what I am doing where I am today. **[SCRIPTURE REFERENCE – I Corinthians 2: 9-10]**

People came into the knowledge of the potential in what I have, with an expression of shock and amazement, when the Spirit of God within me revealed for all to see the surplus value in it. This has led to a place of wealth where I now have more than enough with all my material needs met, I am now set for the next phase of governance. **[SCRIPTURE REFERENCE – Psalms 40:3]**

I experienced this by first of all taking full ownership of what I had and the place I was, and with an unbroken continuous expression of gratitude and voice of praise, I unleashed my creative energy. I constantly declare to my asset that as my seed, you have multiplied as the stars in the heavens and to the Spirit within I say, You have breathed life into my seed. I promptly execute every strategy the Spirit nudges me to do. **[SCRIPTURE REFERENCE – Genesis 15:5]**

Having experienced and learnt how capital truly unfolds in a situation, I am now set for the next phase of my life.
