Confession

At the Platform on May 1st 2018, God granted utterance to every speaker and by his or her words provided practical answers to our national questions.

Their speech was free of condemnation but full of solutions.

The Spirit of God was poured forth as streams of grace entering into the hearts of the educated middle class in Nigeria stirring up a mass movement to get engaged in national issues.

The auditorium was filled with the right audience for the meeting and it was clear and evident that the Spirit worked on each individual drawing them in. The weather was conducive and it was clear that the earth yielded its increase unto us.

The organization of this meeting was flawless showing that God poured greater grace on Covenant Christian Centre.

The impact of the meeting can only be described as eternal and transforming as it not only brought about educated conversations about the solutions but the educated populace decided to lay their hands to the plough and build this nation.

Prayer Points

We thank you Father for the success of Platform thus far, for its impact and its sustenance.

As Elihu's speech gave direction to Job on what to do to get out of his ailing condition so shall the same Spirit rest upon our speakers to give answers to our present national questions.

We ask for grace to cause men to respond to our invitations that the Father will draw those whom He wants in the auditorium facilitating the right atmosphere for His Spirit to speak and move.

We ask that as words are spoken God will stretch forth His hand into the heart and minds of the nation and write His laws within us compelling us to act.

We give you all of the praise and glory for the results of this meeting in Jesus name.
