

COVENANT
CHRISTIAN CENTRE

How do we apply the blood to our lives today?

Through the confession of our lips. The blood was applied in the old testament through sprinkling. The passover was killed and its blood sprinkled, whatever the blood touched was sanctified i.e set apart to God alone...

Heb 11:28 "Through faith he kept the passover, and the sprinkling of the blood, lest he that destroyed the firstborn should touch them" Through the sacrifice of Christ our passover and the sprinkling of His blood, satan can walk about your life but cannot touch you.

The blood is sprinkled by giving voice to what it says, Heb 12:24 "...and to the blood of sprinkling, that speaketh better things than the blood of Abel"

God told Cain "the voice of your brother's blood crieth unto me from the ground". Heb 11:4 "By faith Abel offered unto God a more excellent sacrifice than Cain, by which he obtained a witness that he was righteous, God testifying of his gifts: and by it being dead speaketh"

Christ offered a more excellent sacrifice than Abel, killed also by His kinsmen, His blood is still speaking today and more excellent things than Abel's.

We must apply His blood so that in any situation judgement passes over us.

You overcome satan when you personally testify of what the blood has done for you.

Confessions

Exodus 12:13

I declare to every plague and affliction operating in the environment I live by the blood of Jesus that was shed on my behalf, I say to you, you don't come upon me to destroy me, you are the light affliction that has worked out an eternal weight of glory. I rejoice at your appearance for when others say there is a casting down, it is really a lifting up. By the blood I can never be destroyed but all things come for my lifting up.

By the blood of Jesus every member of my family is sanctified today and forever. Not one bone in our body is broken, regardless of what we go through we are preserved and honoured by God. Not one single strand of hair is lost as we walk victorious through the tribulations of this world.

Isaiah 54:17

No weapon formed or fashioned against me prospers. Any word spoken against my life, I judge today as ineffective speech that falls to the ground unfulfilled because my righteousness is of God, bought by the blood of Jesus who paid in full for my sins and errors.

Luke 1: 71, 74, 78

Through the blood of Jesus, God has delivered me completely out of the hands of them that hate me, and from my enemies. He has performed the mercies He promised Abraham whereby the sunrising from on high has visited me, giving me a brand newday as the reward from every test I face.

Ephesians 1:7

Through the blood of Jesus the price has been paid in full for me to live my life to its fullness. I now have a right to life and that abundantly. It is not in my personal attainment but in His atonement for me. I claim this right by saying I am totally delivered from the kingdom of darkness and now live in the fullness of God's life and light.

1 John 1:7, 9

Through the blood of Jesus all of my sins are forgiven. I am being cleansed continually from sin by the blood. I have no sense of guilt in my heart because Jesus has sacrificed for my sins and those of the whole of humanity. I extend this mercy to all that have offended me, releasing them from any form of clutch in my soul and by this I am set free.

Hebrews 13:20, 21

By the blood of Jesus the same power that raised Him from the dead is at work in me. It has broken the power of any situation filled with reproach, infirmity, death and necessity. No circumstance holds me back for God is working in me that which is well pleasing in His sight. By the blood, God has perfected His work in me to do His will and I am now an integral part of what He is doing in my generation.

Hebrews 10:19

By the blood of Christ, I have access into the presence of God. I boldly go in and find mercy and help in time of need. I hear the voice of God clearly in my spirit, I know what He wants me to do in any given situation and I have access to His wisdom for every situation in my life.
